

REMARKS

The Office finally rejected claims 12-14 as being based upon a defective reissue oath under 35 U.S.C. 251. More specifically, the Office submitted that the reissue oath/declaration filed with this application is defective because the error which was relied upon to support the reissue application was not an error upon which a reissue can be based. The Office pointed out that the claims as pending are not consistent with the error identified in the oath/declaration as all the new claims cited in the oath have been cancelled.

In view of the above, Applicants include herewith a supplemental declaration pursuant to 37 C.F.R. § 1.175(b)(1).

In view of the above amendments, Applicants submit that claims 12-14 are in condition for allowance. Reconsideration and withdrawal of the rejections is respectfully requested and allowance of claims 12-14 is kindly solicited.

Respectfully submitted,
/Nelsen L. Lentz/
